Dear Ms. Benitz,

This is in response to your January 12, 2005 letter regarding the Post-General election report of the above referenced committee.

The expenditures made for "satellite media interviews" did not expressly advocate for or against a federal candidate, rather provided educational materials for the public. Thus, the expenditures were not in-kind contributions or independent expenditures on behalf of any federal candidate.

Please feel free to contact me if you have any questions about these responses, or if you would like further clarification. And thank you for all of your assistance this year.

Kindly,

Miranda A. Anderson  
Assistant Treasurer
